

Disclaimer: this face mask is not intended to replace surgical face masks. It is an additional option for individuals to feel protected and avoid touching their face while leaving surgical masks for our front-line workers. The material suggested is not medically approved. These masks are not proven to prevent Covid-19 or any other illnesses. Masks are effective only when used in combination with frequent hand-cleaning with alcohol-based hand rub or soap and water. For more information on masks please visit <https://www.who.int/emergencies/diseases/novel-coronavirus-2019/advice-for-public/when-and-how-to-use-masks>
