## Mask Assembly

Place (2) right sides together and measure in 2" from each corner.

Draw a line connecting both points.

Trim the corner's off along these lines.

Stitch around the mask leaving 1 end open.

Turn mask right sideout through the opening and fold the open seams back inside, press around all edges. Mark the center of your top, Measure out 1<sup>3/4</sup>" On either side and sew down 1/4" on one side and along to your 3 1/2" mark to create a tunnel for your nose bridge.

## Please read instructions carefully before cutting

Insert nose bridge. Stitch down open side of tunnel to secure. Edge stitch around all edges, closing the opening. Make sure you do not sew over the nose bridge.

Fold top edge down 1<sup>3/4</sup>" and press, Fold the bottom edge up 1<sup>3/4</sup>" and press.

Mark 1 1/4" in on either side and stitch over the overlaps to secure, Edge stitch along both folds.

Pull out the side flaps and fold the mask in half, pin sides of the overlaps to the main band.

Stitch overlapping edges in place where pinned.

Pin ends of elastics to the top and bottom of the flap. Fold ends in 1/4" and top stitch over to secure.
