

Wine Bottle Bag

Please read instructions carefully before starting

Fabric Requirements

Craft Abstracts 0.5m

Right side:  Wrong side: 

Lurex Cotton Twill Tape 0.4m

Cutting Instructions

Please note: All strips are cut across the width of fabric (WOF) from selvedge to selvedge unless otherwise noted.

From Craft Abstracts cut:

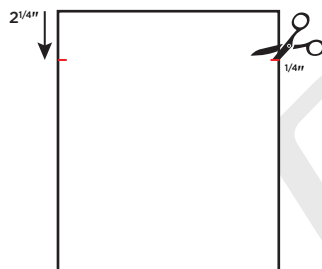

A (1) 11¹/₂" x 13¹/₂" rectangle

B (1) 9" x 3³/₄" rectangle

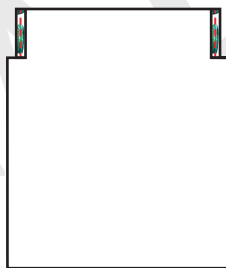

C (1) 4¹/₂" circle. Pattern piece provided.

Bag Assembly - Seam Allowance: 1/4"

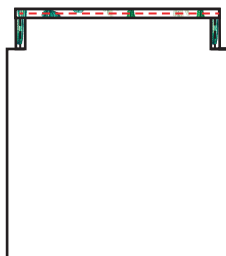

With A wrong side up, measure 2¹/₄" down from the top and clip in 1/4" on either side.

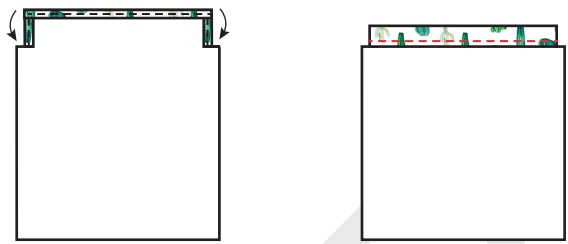

Fold clipped sides in, press and stitch to secure.

Fold top edge down 1/4", press and stitch to secure.

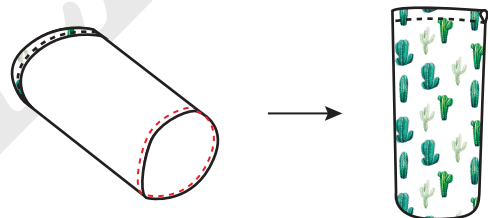

Fold flap down to meet clipped edge and stitch across to create a tube.

Fold in half right sides together and stitch down edge, make sure not to stitch over the tube.

Pin circle to tube right sides together, stitch to secure. Turn bag right way out.

Fold strap in half lengthwise with wrong sides together and press.

Open fabric, fold edges into the pressed center line and press.

Fold together and press. Edge stitch along open edge of the strap.

Position the strap on the inside edge of the tube seam and stitch to secure.

Thread twill tape through the tube to finish.
