Material Requirements

Dimple Chenille: Pink	0.2m
Brt Yellow	0.4m
Micro Chenille: Billard Green	0.3m
Lt Grey	0.2m
Right Side:  Wrong Side: 	
Flannelette: Black	0.2m*
White	0.2m*
Fibre Fill 1lb	1 bag
HeatnBond Ultrahold	0.2m
Craft Stabilizer Heavy Weight Fusible	0.2m

*Can be substituted for scrap of the same colour.

Please read instructions carefully before cutting

Cutting Instructions - Pattern pieces provided

From Pink cut:

- (2) Flamingo Body
- (4) Flamingo Leg
- (4) Flamingo Wing
- (2) Pineapple Cheek

From Brt Yellow cut:

- (2) Pineapple Body - On Fold

From Kelly cut:

- (4) Pineapple Leaf - Small
- (6) Pineapple Leaf - Large

From Fusible cut:

- (2) Pineapple Leaf - Small
- (3) Pineapple Leaf - Large

From Lt Grey cut:

- (4) Flamingo Feet
- (2) Flamingo Beak

From Black cut:

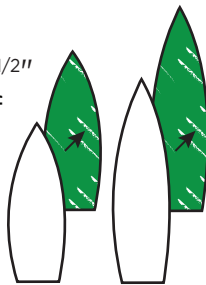

- (2) Pineapple Pupil

From Black cut:

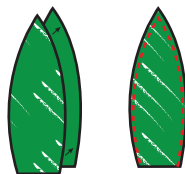

- (2) Pineapple Eye

Pineapple Assembly - Seam Allowance: 1/2"

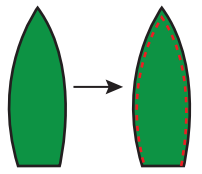

- 1 Apply fusible to (2) pineapple leaf - small and (3) pineapple leaf - large.

- 2 Place (1) pineapple leaf - small, with fusible, right sides together with (1) un-fused pineapple leaf - small. Stitch around, leaving the bottom open.

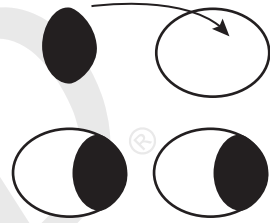

- 3 Clip around seam and turn right way out. Topstitch around edge, do not stitch over opening.

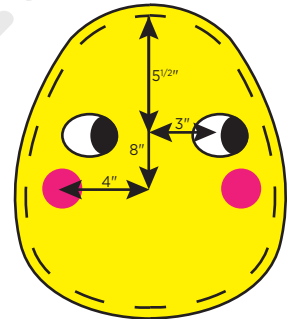

Repeat step 2-3 for all Pineapple Leaf pieces.

- 4 Using the heatnbond, attach (1) pineapple pupil to the right-hand side of (1) pineapple eye. Repeat with remaining pupil and eye.

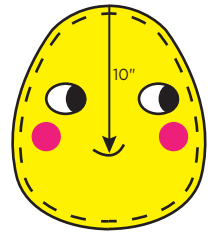

- 5 Using the heatnbond, attach (2) pineapple eyes and (2) pineapple cheeks to (1) pineapple body. Zig-zag stitch around the eyes and cheek to secure.

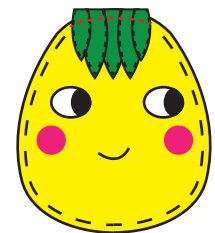

Lay the eyes and cheeks out following this layout:

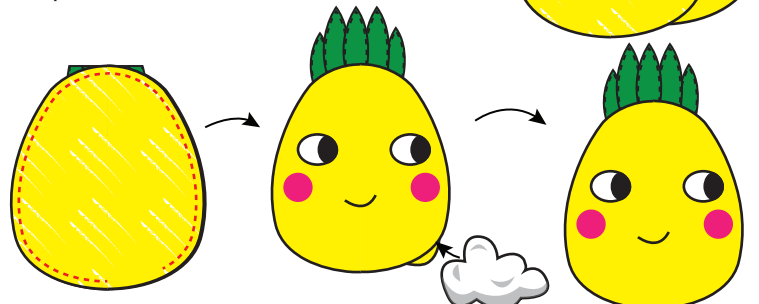

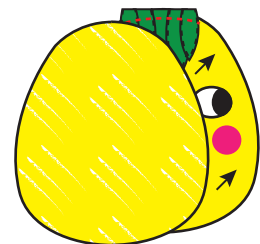

- 6 Using the smile template and a water soluble marker, draw out the smile 10" from the top of the pineapple body. Embroider the smile.

- 7 With (3) pineapple leaf - large facing downwards, line up the bottoms. Line up (2) pineapple leaf - small on either side. Baste across the top to secure.

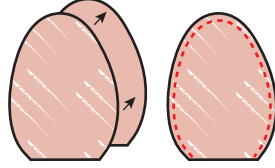

- 8 Place front and back right sides together. Leaving a 3" gap at the bottom, stitch around to secure. Pull right way out through the gap, stuff with fibre fill and topstitch closed.

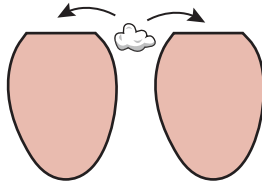

Flamingo Assembly - Seam Allowance: 1/2"

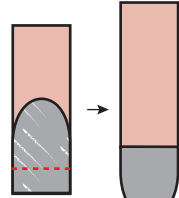

1 Place (2) flamingo wings right sides together. Stitch around, leaving the bottom open.

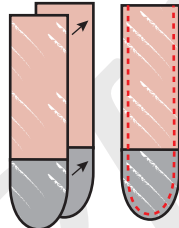

2 Clip around seam and turn right way out. Lightly stuff with fibre fill and repeat for remaining wing.

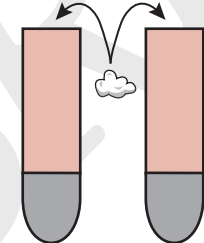

3 Place (1) flamingo foot right sides together with (1) flamingo leg. Stitch together. Repeat for remaining leg and foot pieces.

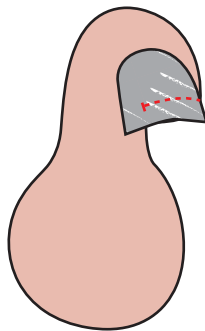

4 Place (2) flamingo leg right sides together. Stitch around, leaving the top open.

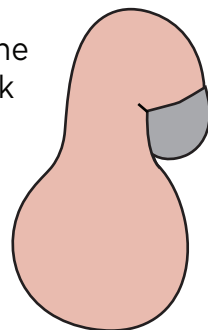

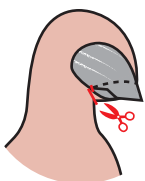

5 Clip around seam and turn right way out. Lightly stuff with fibre fill and repeat for 2nd leg.

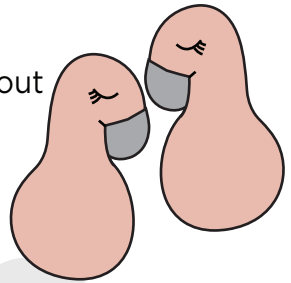

6 Place (1) flamingo beak right sides together with (1) flamingo body. Stitch together. Leave 1/2" seam allowance on the inside of the beak unstitched, as shown. Repeat for remaining beak and body pieces.

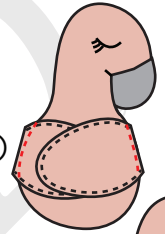

7 Snip the body at the beak to the end of the stitch line. Fold beak back behind the body.

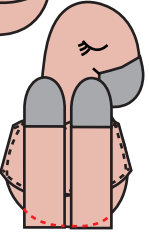

8 Using the eye template, draw out the eye 1" from the side of the flamingo body. Embroider the eyes.

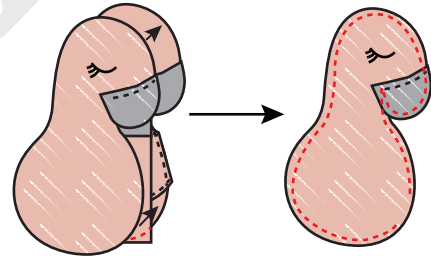

9 Place (2) flamingo wing right sides together on either side of (1) flamingo body. Baste in place.

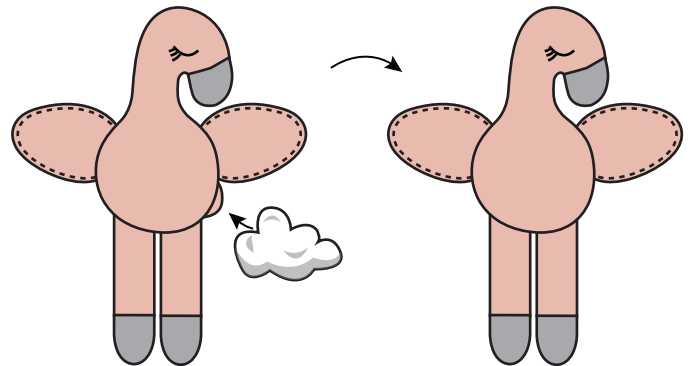

10 Place (2) flamingo leg right sides together on (1) flamingo body. Baste in place.

11 Place (1) flamingo body right sides together to (1) flamingo body with wings and legs attached. Stitch around, leaving a 2" gap to turn through. Make sure not to stitch over the ends of the legs.

12 Pull right way out through the gap, stuff with fibre fill and topstitch closed.
