## Bee Assembly

1 Using your small pom-pom maker, mark 4 equal sections on either side.

2 Wrap both yarns around the base. Starting in your first section wrap the black yarn around. When you come to the end of the section pull to the side and out of the way.

3 Repeat with your yellow yarn. Alternate black and yellow yarn until you finish all 4 sections.

4 Pull your final threads through and tie a knot. Remove your pom-pom.
