**Bed Assembly**

Sew all A rectangles together.

Sew all B rectangles together.

Fold the shortest ends of B right sides together and stitch to secure.

Wrap the right side of A around the wrong side of B, line up the top edges and baste together. Leave your short A ends open and unfinished.

Place C1 right sides together with the basted edge, pleat basted edge until it fits around C1. Pin in place and stitch.
Line the bottom of A up with the bottom of B and baste together.

Place the zipper right sides together with C2 and stitch in place.

Place C2 right sides together with A/B and stitch. Do not stitch over your zipper opening.

Pull your bed right side out through the open zipper.

Place the zipper right sides together with the bottom of A/B and stitch in place. Leave the zipper open.

Use softloft polyester fill to stuff the bed. Stuff between the unfinished B ends to fill the outer walls of the bed. Stuff the bottom to fill the seat of the bed.
