2 Mark the center of the top of the 12" square. Measure down 2" and follow the directions on your heat n bond to transfer onto the 12" square.

3 Insert the fabric into the embroidery hoop. Trim excess fabric down to 1/2".

4 Fold the top seam allowance of the Candy Cane Pocket down and top stitch.

5 With it still in the hoop, measure down 5" from the top of your hoop fabric and mark.

5 Remove fabric from the hoop and line up the middle of the Candy Cane Pocket with the 5" mark. Stitch down the front of the pocket to secure to the hoop fabric.

6 Continue sewing straight down the pocket, moving out 1 1/2" each time. You will have (4) sections in total.

7 Insert back into the hoop. Glue excess fabric down. Using the satin edge ribbon, tie a bow and a large loop to connect to your door hanger. Fill with candy canes and enjoy!
